- (iii) To popularize the Science & Technology activities under-taken in the State.
- (iv) To publicize the various programmes/schemes undertaken in the State under S&T Sector.
- (v) To project the activities of the SCSTE, Meghalaya to concerned authorities and agencies
- (vi) To disseminate information on various technologies propagated in the State

#### B. Description :

The present proposal includes the followings:

- i) To procure new books for the S&T Library in the areas of Biotechnology, Environment, Energy, Appropriate Technologies, Astronomy, etc., including subscription of regular journals/ magazines.
- ii) To bring out 1(one) issue of the Newsletter of the State S&T Council highlighting the latest S&T activities undertaken in the State.
- iii) To bring out leaflet/ brochures pertaining various appropriate technologies propagated by the State S&T Council

### Production of a Documentary Film on S&T Activities in the State

#### A. Objective:

To enhance public awareness on Science & Technology programmes and schemes undertaken in the State for the benefit of the general public, particularly the rural mass.

#### B. Description:

A number of regular Science & Technology programmes like Popularisation of Science Programme, Introduction of Appropriate Technology Programme, Specific Projects Programme, S & T Entrepreneurship Development Programme, Science Centres Programme, Library & Documentation Programme, etc. are in operation in the State. A set of specific schemes for achieving different objectives for the benefit of the public are implemented under each programme.

In order to ensure intensive and extensive implementation of Science & Technology schemes in the State and ensure that their benefits reach the people throughout the length and breadth of the State, it is now proposed to produced a documentary films to publicise the various S & T activities in the State. This film will be telecast by the Doordarshan and the local TV Channels.

The proposed film will also be used by the State S & T Council during its various awareness programmes.
