Under the scheme ,projects like Residential Schools and Hostels for STs are also funded.

Programmes for Development of Primitive Tribal Groups

Since PTGs constitute the most vulnerable section among Scheduled Tribes, it becomes necessary to allocate adequate funds from Central /Centrally Sponsored and State Plan Schemes for the socio-economic development ofPTGs. However, it was observed that funds provided under other schemes for STs were not reaching the PTGs adequately. Therefore in1998-99 ,a separate 100%Central Sector Scheme for

exclusive development of PTGs was started. Based on the knowledge and experience gathered meanwhile the scheme has been improved during current financial year i.e. 2007-08 to make it more effective.

The scheme covers only the identified PTGs among Scheduled Tribes. The scheme is extremely flexible because it enables every State to focus on areas that they consider is relevant to their PTGs and their socio-cultural environment. Activities under it may include housing, land distribution, land development, agricultural development, cattle development, construction of link roads, installation of non-conventional sources of energy for lighting purposes, social security including Janshree Beema Yojana or any other innovation activity meant for the comprehensive socio-economic development of PTGs more particularly for the PTGs who are nomadic in nature.
