## **CHAPTER - III**

### NON- LAPSABLE CENTRAL POOL OF RESOURCES

- 3.1 The Government of India took keen interest on the development of the North Eastern Region which is evident from the fact that soon after the visit of the Hon'ble Prime Minister to the Region in October, 1996 the Planning Commission appointed a High Level Commission under the Chairmanship of Shri S.P.Shukla, Member Planning Commission to critically examine the backlog and gaps of development of the Region and to suggest policies, programmes and requirement of funds to bridge the gaps with special reference to infrastructural development and provision of Basic Minimum Services. The High Level Commission submitted their Report to the Hon'ble Prime Minister on the 7<sup>th</sup> March, 1997. In the mean time, the Government of India took a decision to the effect that the Central Ministries are to utilize 10 percent of their budgetary allocation each year in the N.E. Region. Keeping in view the fact that a good number of Central Ministries are unable to utilize 10 percent of the budgetary resources in the N.E. Region and also by positively taking into consideration the Report of the High Level Commission of the Planning Commission, the Government of India decided to create the Non-Lapsable Central Pool of Resources for the North Eastern States and Sikkim from the year 1998-99. The funds sanctioned to the State Governments from the Non-Lapsable Central Pool of Resources are in addition to the State Plan resources and are accounted for outside the State Plan.
- 3.2 The Government of Meghalaya has so far received an allocation of Rs.165.26 crores from the Non Lapsable Central Pool of Resources out of which Rs. 49.99 crores was received during 2003-04, Rs. 21.69 crores during 2004-05 and Rs.8.75 crores during 2005-06. The break up is as indicated below: -
